(a) **STATE REGULATION OF THE BUSINESS OF INSURANCE.**—The Act entitled “An Act to express the intent of Congress with reference to the regulation of the business of insurance” and approved March 9, 1945 (15 U.S.C. 1011 et seq.) (commonly referred to as the “McCarran-Ferguson Act”) remains the law of the United States.

(b) **MANDATORY INSURANCE LICENSING REQUIREMENTS.**—No person shall engage in the business of insurance in a State as principal or agent unless such person is licensed as required by the appropriate insurance regulator of such State in accordance with the relevant State insurance law, subject to subsections (c), (d), and (e).

(c) **AFFILIATIONS.**—

(1) **IN GENERAL.**—Except as provided in paragraph (2), no State may, by statute, regulation, order, interpretation, or other action, prevent or restrict a depository institution, or an affiliate thereof, from being affiliated directly or indirectly or associated with any person, as authorized or permitted by this Act or any other provision of Federal law.

(2) **INSURANCE.**—With respect to affiliations between depository institutions, or any affiliate thereof, and any insurer, paragraph (1) does not prohibit—

(A) any State from—

(i) collecting, reviewing, and taking actions (including approval and disapproval) on applications and other documents or reports concerning any proposed acquisition of, or a change or continuation of control of, an insurer domiciled in that State; and

(ii) exercising authority granted under applicable State law to collect information concerning any proposed acquisition of, or a change or continuation of control of, an insurer engaged in the business of insurance in, and regulated as an insurer by, such State; during the 60-day period preceding the effective date of the acquisition or change or continuation of control, so long as the collecting, reviewing, taking actions, or exercising authority by the State does not have the effect of discriminating, intentionally or unintentionally, against a depository institution or an affiliate thereof, or against any other person based upon an association of such person with a depository institution;

(B) any State from requiring any person that is acquiring control of an insurer domiciled in that State to maintain or restore the capital requirements of that insurer to the level required under the capital regulations of general applicability in that State to avoid the requirement of preparing and filing with the insurance regulatory authority of that State a plan to increase the capital of the insurer, except that any determination by the State insurance regulatory authority with respect to such requirement shall be made not later than 60 days after the date of notification under subparagraph (A); or

(C) any State from restricting a change in the ownership of stock in an insurer, or a company formed for the purpose of controlling such insurer, after the conversion of the insurer from mutual to stock form so long as such

restriction does not have the effect of discriminating, intentionally or unintentionally, against a depository institution or an affiliate thereof, or against any other person based upon an association of such person with a depository institution.

(d) ACTIVITIES.—

(1) IN GENERAL.—Except as provided in paragraph (3), and except with respect to insurance sales, solicitation, and cross marketing activities, which shall be governed by paragraph (2), no State may, by statute, regulation, order, interpretation, or other action, prevent or restrict a depository institution or an affiliate thereof from engaging directly or indirectly, either by itself or in conjunction with an affiliate, or any other person, in any activity authorized or permitted under this Act and the amendments made by this Act.

(2) INSURANCE SALES.—

(A) IN GENERAL.—In accordance with the legal standards for preemption set forth in the decision of the Supreme Court of the United States in *Barnett Bank of Marion County N.A. v. Nelson*, 517 U.S. 25 (1996), no State may, by statute, regulation, order, interpretation, or other action, prevent or significantly interfere with the ability of a depository institution, or an affiliate thereof, to engage, directly or indirectly, either by itself or in conjunction with an affiliate or any other person, in any insurance sales, solicitation, or crossmarketing activity.

(B) CERTAIN STATE LAWS PRESERVED.—Notwithstanding subparagraph (A), a State may impose any of the following restrictions, or restrictions that are substantially the same as but no more burdensome or restrictive than those in each of the following clauses:

(i) Restrictions prohibiting the rejection of an insurance policy by a depository institution or an affiliate of a depository institution, solely because the policy has been issued or underwritten by any person who is not associated with such depository institution or affiliate when the insurance is required in connection with a loan or extension of credit.

(ii) Restrictions prohibiting a requirement for any debtor, insurer, or insurance agent or broker to pay a separate charge in connection with the handling of insurance that is required in connection with a loan or other extension of credit or the provision of another traditional banking product by a depository institution, or any affiliate of a depository institution, unless such charge would be required when the depository institution or affiliate is the licensed insurance agent or broker providing the insurance.

(iii) Restrictions prohibiting the use of any advertisement or other insurance promotional material by a depository institution or any affiliate of a depository institution that would cause a reasonable person to believe mistakenly that—

(I) the Federal Government or a State is responsible for the insurance sales activities of, or stands behind the credit of, the institution or affiliate; or

(II) a State, or the Federal Government guarantees any returns on insurance products, or is a source of payment on any insurance obligation of or sold by the institution or affiliate;

(iv) Restrictions prohibiting the payment or receipt of any commission or brokerage fee or other valuable consideration for services as an insurance agent or broker to or by any person, unless such person holds a valid State license regarding the applicable class of insurance at the time at which the services are performed, except that, in this clause, the term “services as an insurance agent or broker” does not include a referral by an unlicensed person of a customer or potential customer to a licensed insurance agent or broker that does not include a discussion of specific insurance policy terms and conditions.

(v) Restrictions prohibiting any compensation paid to or received by any individual who is not licensed to sell insurance, for the referral of a customer that seeks to purchase, or seeks an opinion or advice on, any insurance product to a person that sells or provides opinions or advice on such product, based on the purchase of insurance by the customer.

(vi) Restrictions prohibiting the release of the insurance information of a customer (defined as information concerning the premiums, terms, and conditions of insurance coverage, including expiration dates and rates, and insurance claims of a customer contained in the records of the depository institution or an affiliate thereof) to any person other than an officer, director, employee, agent, or affiliate of a depository institution, for the purpose of soliciting or selling insurance, without the express consent of the customer, other than a provision that prohibits—

(I) a transfer of insurance information to an unaffiliated insurer in connection with transferring insurance in force on existing insureds of the depository institution or an affiliate thereof, or in connection with a merger with or acquisition of an unaffiliated insurer; or

(II) the release of information as otherwise authorized by State or Federal law.

(vii) Restrictions prohibiting the use of health information obtained from the insurance records of a customer for any purpose, other than for its activities as a licensed agent or broker, without the express consent of the customer.

(viii) Restrictions prohibiting the extension of credit or any product or service that is equivalent to an extension of credit, lease or sale of property of any kind, or furnishing of any services or fixing or varying the consideration for any of the foregoing, on the condition or requirement that the customer obtain insurance from a depository institution or an affiliate of a depository institution, or a particular insurer, agent, or broker, other than a prohibition that

would prevent any such depository institution or affiliate—

(I) from engaging in any activity described in this clause that would not violate section 106 of the Bank Holding Company Act Amendments of 1970, as interpreted by the Board of Governors of the Federal Reserve System; or

(II) from informing a customer or prospective customer that insurance is required in order to obtain a loan or credit, that loan or credit approval is contingent upon the procurement by the customer of acceptable insurance, or that insurance is available from the depository institution or an affiliate of the depository institution.

(ix) Restrictions requiring, when an application by a consumer for a loan or other extension of credit from a depository institution is pending, and insurance is offered or sold to the consumer or is required in connection with the loan or extension of credit by the depository institution or any affiliate thereof, that a written disclosure be provided to the consumer or prospective customer indicating that the customer's choice of an insurance provider will not affect the credit decision or credit terms in any way, except that the depository institution may impose reasonable requirements concerning the creditworthiness of the insurer and scope of coverage chosen.

(x) Restrictions requiring clear and conspicuous disclosure, in writing, where practicable, to the customer prior to the sale of any insurance policy that such policy—

(I) is not a deposit;

(II) is not insured by the Federal Deposit Insurance Corporation;

(III) is not guaranteed by any depository institution or, if appropriate, an affiliate of any such institution or any person soliciting the purchase of or selling insurance on the premises thereof; and

(IV) where appropriate, involves investment risk, including potential loss of principal.

(xi) Restrictions requiring that, when a customer obtains insurance (other than credit insurance or flood insurance) and credit from a depository institution, or any affiliate of such institution, or any person soliciting the purchase of or selling insurance on the premises thereof, the credit and insurance transactions be completed through separate documents.

(xii) Restrictions prohibiting, when a customer obtains insurance (other than credit insurance or flood insurance) and credit from a depository institution or an affiliate of such institution, or any person soliciting the purchase of or selling insurance on the premises thereof, inclusion of the expense of insurance premiums in the primary credit transaction without the express written consent of the customer.

(xiii) Restrictions requiring maintenance of separate and distinct books and records relating to insurance transactions, including all files relating to and reflecting consumer complaints, and requiring that such insurance books and records be made available to the appropriate State insurance regulator for inspection upon reasonable notice.

(C) LIMITATIONS.—

(i) OCC DEFERENCE.—Section 304(e) does not apply with respect to any State statute, regulation, order, interpretation, or other action regarding insurance sales, solicitation, or cross marketing activities described in subparagraph (A) that was issued, adopted, or enacted before September 3, 1998, and that is not described in subparagraph (B).

(II) to create any inference with respect to any State statute, regulation, order, interpretation, or other action that is not described in this paragraph.

(3) INSURANCE ACTIVITIES OTHER THAN SALES.—State statutes, regulations, interpretations, orders, and other actions shall not be preempted under paragraph (1) to the extent that they—

(commonly referred to as the “McCarran-Ferguson Act”);

(B) apply only to persons that are not depository institutions, but that are directly engaged in the business of insurance (except that they may apply to depository institutions engaged in providing savings bank life insurance as principal to the extent of regulating such insurance);

(C) do not relate to or directly or indirectly regulate insurance sales, solicitations, or cross marketing activities; and

(D) are not prohibited under subsection (e).

(4) FINANCIAL ACTIVITIES OTHER THAN INSURANCE.—No State statute, regulation, order, interpretation, or other action shall be preempted under paragraph (1) to the extent that—

(ii) as interpreted or applied, does not have, and will not have, an impact on depository institutions, or affiliates thereof, engaged in the activity at issue, or any person who has an association with any such depository institution or affiliate, that is substantially more adverse than its impact on other persons engaged in the same activity that are not depository institutions or affiliates thereof, or persons who do not have an association with any such depository institution or affiliate;

(iii) does not effectively prevent a depository institution or affiliate thereof from engaging in activities authorized or permitted by this Act or any other provision of Federal law; and

(iv) does not conflict with the intent of this Act generally to permit affiliations that are authorized or permitted by Federal law.

(e) NONDISCRIMINATION.—Except as provided in any restrictions described in subsection (d)(2)(B), no State may, by statute, regulation, order, interpretation, or other action, regulate the insurance activities authorized or permitted under this Act or any other provision of Federal law of a depository institution, or affiliate thereof, to the extent that such statute, regulation, order, interpretation, or other action—

(1) distinguishes by its terms between depository institutions, or affiliates thereof, and other persons engaged in such activities, in a manner that is in any way adverse to any such depository institution, or affiliate thereof;

(2) as interpreted or applied, has or will have an impact on depository institutions, or affiliates thereof, that is substantially more adverse than its impact on other persons providing the same products or services or engaged in the same activities that are not depository institutions, or affiliates thereof, or persons or entities affiliated therewith;

(3) effectively prevents a depository institution, or affiliate thereof, from engaging in insurance activities authorized or permitted by this Act or any other provision of Federal law; or

In developing and promulgating rules under this subsection, the Commission shall consider the views of the Board, including views with respect to the nature of the new hybrid product; the history, purpose, extent, and appropriateness of the regulation of the new product under the Federal banking laws; and the impact of the proposed rule on the banking industry.

Effective date.

“(B) DISCONTINUATION OF COMMISSION SUPERVISION.—If the Commission finds that any supervised investment bank holding company that is supervised pursuant to paragraph (1) is no longer in existence or has ceased to be an investment bank holding company, or if the Commission finds that continued supervision of such a supervised investment bank holding company is not consistent with the purposes of this section, the Commission may discontinue the supervision pursuant to a rule or order, if any, promulgated by the Commission under this section.

“(3) SUPERVISION OF INVESTMENT BANK HOLDING COMPANIES.—

“(A) RECORDKEEPING AND REPORTING.—

“(i) IN GENERAL.—Every supervised investment bank holding company and each affiliate thereof shall make and keep for prescribed periods such records, furnish copies thereof, and make such reports, as the Commission may require by rule, in order to keep the Commission informed as to—

(b) **AUTHORIZED PRODUCTS.**—For the purposes of this section, a product is authorized if—

(1) as of January 1, 1999, the Comptroller of the Currency had determined in writing that national banks may provide such product as principal, or national banks were in fact lawfully providing such product as principal;

(I) it would be treated as a life insurance contract under section 7702 of the Internal Revenue Code of 1986; or

(II) in the event that the product is not a letter of credit or other similar extension of credit, a qualified financial contract, or a financial guaranty, it would qualify for treatment for losses incurred with respect to such product under section 832(b)(5) of the Internal Revenue Code of 1986, if the bank were subject to tax as an insurance company under section 831 of that Code; or

“(b) SALES PRACTICES.—The regulations prescribed pursuant to subsection (a) shall include antitying and anticoercion rules

applicable to the sale of insurance products that prohibit a depository institution from engaging in any practice that would lead a customer to believe an extension of credit, in violation of section 106(b) of the Bank Holding Company Act Amendments of 1970, is conditional upon—

“(1) the purchase of an insurance product from the institution or any of its affiliates; or

“(2) an agreement by the consumer not to obtain, or a prohibition on the consumer from obtaining, an insurance product from an unaffiliated entity.

“(c) DISCLOSURES AND ADVERTISING.—The regulations prescribed pursuant to subsection (a) shall include the following provisions relating to disclosures and advertising in connection with the initial purchase of an insurance product:

“(E) ADJUSTMENTS FOR ALTERNATIVE METHODS OF PURCHASE.—In prescribing the requirements under subparagraphs (A) and (F), necessary adjustments shall be made for purchase in person, by telephone, or by electronic media to provide for the most appropriate and complete form of disclosure and acknowledgments.

“(F) CONSUMER ACKNOWLEDGMENT.—A requirement that a depository institution shall require any person selling an insurance product at any office of, or on behalf of, the institution to obtain, at the time a consumer receives the disclosures required under this paragraph or at the time of the initial purchase by the consumer of such product, an acknowledgment by such consumer of the receipt of the disclosure required under this subsection with respect to such product.

“(2) PROHIBITION ON MISREPRESENTATIONS.—A prohibition on any practice, or any advertising, at any office of, or on behalf of, the depository institution, or any subsidiary, as appropriate, that could mislead any person or otherwise cause a reasonable person to reach an erroneous belief with respect to—

“(B) in the case of a variable annuity or insurance product that involves an investment risk, the investment risk associated with any such product; or

“(C) in the case of an institution or subsidiary at which insurance products are sold or offered for sale, the fact that—

“(i) the approval of an extension of credit to a customer by the institution or subsidiary may not be conditioned on the purchase of an insurance product by such customer from the institution or subsidiary; and

“(ii) the customer is free to purchase the insurance product from another source.

“(d) SEPARATION OF BANKING AND NONBANKING ACTIVITIES.—

“(1) REGULATIONS REQUIRED.—The regulations prescribed pursuant to subsection (a) shall include such provisions as the Federal banking agencies consider appropriate to ensure that the routine acceptance of deposits is kept, to the extent practicable, physically segregated from insurance product activity.

“(2) REQUIREMENTS.—Regulations prescribed pursuant to paragraph (1) shall include the following requirements:

“(A) SEPARATE SETTING.—A clear delineation of the setting in which, and the circumstances under which, transactions involving insurance products should be conducted in a location physically segregated from an area where retail deposits are routinely accepted.

“(B) REFERRALS.—Standards that permit any person accepting deposits from the public in an area where such transactions are routinely conducted in a depository institution to refer a customer who seeks to purchase any insurance product to a qualified person who sells such product, only if the person making the referral receives no more

“(C) QUALIFICATION AND LICENSING REQUIREMENTS.—Standards prohibiting any depository institution from permitting any person to sell or offer for sale any insurance product in any part of any office of the institution, or on behalf of the institution, unless such person is appropriately qualified and licensed.

“(e) DOMESTIC VIOLENCE DISCRIMINATION PROHIBITION.—

“(1) IN GENERAL.—In the case of an applicant for, or an insured under, any insurance product described in paragraph (2), the status of the applicant or insured as a victim of domestic violence, or as a provider of services to victims of domestic violence, shall not be considered as a criterion in any decision with regard to insurance underwriting, pricing, renewal, or scope of coverage of insurance policies, or payment of insurance claims, except as required or expressly permitted under State law.

“(2) SCOPE OF APPLICATION.—The prohibition contained in paragraph (1) shall apply to any life or health insurance product which is sold or offered for sale, as principal, agent, or broker, by any depository institution or any person who is engaged in such activities at an office of the institution or on behalf of the institution.

“(3) DOMESTIC VIOLENCE DEFINED.—For purposes of this subsection, the term ‘domestic violence’ means the occurrence of one or more of the following acts by a current or former family member, household member, intimate partner, or caretaker:

“(A) Attempting to cause or causing or threatening another person physical harm, severe emotional distress, psychological trauma, rape, or sexual assault.

“(B) PREEMPTION.—

Notification.

“(i) IN GENERAL.—If, with respect to any provision of the regulations prescribed under this section, the Board of Governors of the Federal Reserve System, the Comptroller of the Currency, and the Board of Directors of the Corporation determine jointly that the protection afforded by such provision for customers is greater than the protection provided by a comparable provision of the statutes, regulations, orders, or interpretations referred to in subparagraph (A) of any State, the appropriate State regulatory authority shall be notified of such determination in writing.

“(ii) CONSIDERATIONS.—Before making a final determination under clause (i), the Federal agencies referred to in clause (i) shall give appropriate consideration to comments submitted by the appropriate State regulatory authorities relating to the level of protection afforded to consumers under State law.

SEC. 306. CERTAIN STATE AFFILIATION LAWS PREEMPTED FOR INSURANCE COMPANIES AND AFFILIATES. 15 USC 6715.

Except as provided in section 104(c)(2), no State may, by law, regulation, order, interpretation, or otherwise—

(3) prevent, significantly interfere with, or have the authority to review, approve, or disapprove a plan of reorganization by which an insurer proposes to reorganize from mutual form to become a stock insurer (whether as a direct or indirect subsidiary of a mutual holding company or otherwise) unless such State is the State of domicile of the insurer.

SEC. 307. INTERAGENCY CONSULTATION.

15 USC 6716.

(a) **PURPOSE.**—It is the intention of the Congress that the Board of Governors of the Federal Reserve System, as the umbrella supervisor for financial holding companies, and the State insurance regulators, as the functional regulators of companies engaged in insurance activities, coordinate efforts to supervise companies that control both a depository institution and a company engaged in insurance activities regulated under State law. In particular, Congress believes that the Board and the State insurance regulators should share, on a confidential basis, information relevant to the supervision of companies that control both a depository institution and a company engaged in insurance activities, including information regarding the financial health of the consolidated organization and information regarding transactions and relationships between insurance companies and affiliated depository institutions. The appropriate Federal banking agencies for depository institutions should also share, on a confidential basis, information with the relevant State insurance regulators regarding transactions and relationships between depository institutions and affiliated companies engaged in insurance activities. The purpose of this section is to encourage this coordination and confidential sharing of information, and to thereby improve both the efficiency and the quality of the supervision of financial holding companies and their affiliated depository institutions and companies engaged in insurance activities.

(b) **EXAMINATION RESULTS AND OTHER INFORMATION.**—

Subtitle B—Redomestication of Mutual Insurers

SEC. 311. GENERAL APPLICATION.

15 USC 6731.

This subtitle shall only apply to a mutual insurance company in a State which has not enacted a law which expressly establishes reasonable terms and conditions for a mutual insurance company domiciled in such State to reorganize into a mutual holding company.

SEC. 312. REDOMESTICATION OF MUTUAL INSURERS.

15 USC 6732.

(a) REDOMESTICATION.—A mutual insurer organized under the laws of any State may transfer its domicile to a transferee domicile as a step in a reorganization in which, pursuant to the laws of the transferee domicile and consistent with the standards in subsection (f), the mutual insurer becomes a stock insurer that is a direct or indirect subsidiary of a mutual holding company.

(b) RESULTING DOMICILE.—Upon complying with the applicable law of the transferee domicile governing transfers of domicile and completion of a transfer pursuant to this section, the mutual insurer shall cease to be a domestic insurer in the transferor domicile and, as a continuation of its corporate existence, shall be a domestic insurer of the transferee domicile.

(c) LICENSES PRESERVED.—The certificate of authority, agents’ appointments and licenses, rates, approvals and other items that a licensed State allows and that are in existence immediately prior to the date that a redomesticating insurer transfers its domicile pursuant to this subtitle shall continue in full force and effect upon transfer, if the insurer remains duly qualified to transact the business of insurance in such licensed State.

(d) EFFECTIVENESS OF OUTSTANDING POLICIES AND CONTRACTS.—

(1) IN GENERAL.—All outstanding insurance policies and annuities contracts of a redomesticating insurer shall remain in full force and effect and need not be endorsed as to the new domicile of the insurer, unless so ordered by the State insurance regulator of a licensed State, and then only in the case of outstanding policies and contracts whose owners reside in such licensed State.

(2) FORMS.—

(A) Applicable State law may require a redomesticating insurer to file new policy forms with the State insurance regulator of a licensed State on or before the effective date of the transfer.

(B) Notwithstanding subparagraph (A), a redomesticating insurer may use existing policy forms with appropriate endorsements to reflect the new domicile of the redomesticating insurer until the new policy forms are approved for use by the State insurance regulator of such licensed State.

(e) NOTICE.—A redomesticating insurer shall give notice of the proposed transfer to the State insurance regulator of each licensed State and shall file promptly any resulting amendments to corporate documents required to be filed by a foreign licensed mutual insurer with the insurance regulator of each such licensed State.

(f) PROCEDURAL REQUIREMENTS.—No mutual insurer may redomesticate to another State and reorganize into a mutual holding company pursuant to this section unless the State insurance regulator of the transferee domicile determines that the plan of reorganization of the insurer includes the following requirements:

(1) APPROVAL BY BOARD OF DIRECTORS AND POLICYHOLDERS.—The reorganization is approved by at least a majority of the board of directors of the mutual insurer and at least a majority of the policyholders who vote after notice, disclosure of the reorganization and the effects of the transaction on policyholder contractual rights, and reasonable opportunity to vote, in accordance with such notice, disclosure, and voting procedures as are approved by the State insurance regulator of the transferee domicile.

(2) CONTINUED VOTING CONTROL BY POLICYHOLDERS; REVIEW OF PUBLIC STOCK OFFERING.—After the consummation of a reorganization, the policyholders of the reorganized insurer shall have the same voting rights with respect to the mutual holding company as they had before the reorganization with respect to the mutual insurer. With respect to an initial public offering of stock, the offering shall be conducted in compliance with applicable securities laws and in a manner approved by the State insurance regulator of the transferee domicile.

(3) AWARD OF STOCK OR GRANT OF OPTIONS TO OFFICERS AND DIRECTORS.—During the applicable period provided for under the State law of the transferee domicile following completion of an initial public offering, or for a period of six months if no such applicable period is provided, neither a stock holding company nor the converted insurer shall award any stock options or stock grants to persons who are elected officers or directors of the mutual holding company, the stock holding company, or the converted insurer, except with respect to any such awards or options to which a person is entitled as a

policyholder and as approved by the State insurance regulator of the transferee domicile.

(4) **POLICYHOLDER RIGHTS.**—Upon reorganization into a mutual holding company, the contractual rights of the policyholders are preserved.

(5) **FAIR AND EQUITABLE TREATMENT OF POLICYHOLDERS.**—The reorganization is approved as fair and equitable to the policyholders by the insurance regulator of the transferee domicile.

SEC. 313. EFFECT ON STATE LAWS RESTRICTING REDOMESTICATION. 15 USC 6733.

(a) **IN GENERAL.**—Unless otherwise permitted by this subtitle, State laws of any transferor domicile that conflict with the purposes and intent of this subtitle are preempted, including but not limited to—

(1) any law that has the purpose or effect of impeding the activities of, taking any action against, or applying any provision of law or regulation to, any insurer or an affiliate of such insurer because that insurer or any affiliate plans to redomesticate, or has redomesticated, pursuant to this subtitle;

(2) any law that has the purpose or effect of impeding the activities of, taking action against, or applying any provision of law or regulation to, any insured or any insurance licensee or other intermediary because such person has procured insurance from or placed insurance with any insurer or affiliate of such insurer that plans to redomesticate, or has redomesticated, pursuant to this subtitle, but only to the extent that such law would treat such insured licensee or other intermediary differently than if the person procured insurance from, or placed insurance with, an insured licensee or other intermediary which had not redomesticated; and

(3) any law that has the purpose or effect of terminating, because of the redomestication of a mutual insurer pursuant to this subtitle, any certificate of authority, agent appointment or license, rate approval, or other approval, of any State insurance regulator or other State authority in existence immediately prior to the redomestication in any State other than the transferee domicile.

(b) **DIFFERENTIAL TREATMENT PROHIBITED.**—No State law, regulation, interpretation, or functional equivalent thereof, of a State other than a transferee domicile may treat a redomesticating or redomesticated insurer or any affiliate thereof any differently than an insurer operating in that State that is not a redomesticating or redomesticated insurer.

(c) **LAWS PROHIBITING OPERATIONS.**—If any licensed State fails to issue, delays the issuance of, or seeks to revoke an original or renewal certificate of authority of a redomesticated insurer promptly following redomestication, except on grounds and in a manner consistent with its past practices regarding the issuance of certificates of authority to foreign insurers that are not redomesticating, then the redomesticating insurer shall be exempt from any State law of the licensed State to the extent that such State law or the operation of such State law would make unlawful, or regulate, directly or indirectly, the operation of the redomesticated insurer, except that such licensed State may require the redomesticated insurer to—

(1) comply with the unfair claim settlement practices law of the licensed State;

(2) pay, on a nondiscriminatory basis, applicable premium and other taxes which are levied on licensed insurers or policyholders under the laws of the licensed State;

(3) register with and designate the State insurance regulator as its agent solely for the purpose of receiving service of legal documents or process;

(4) submit to an examination by the State insurance regulator in any licensed State in which the redomesticated insurer is doing business to determine the insurer's financial condition, if—

(A) the State insurance regulator of the transferee domicile has not begun an examination of the redomesticated insurer and has not scheduled such an examination to begin before the end of the 1-year period beginning on the date of the redomestication; and

(B) any such examination is coordinated to avoid unjustified duplication and repetition;

(5) comply with a lawful order issued in—

(A) a delinquency proceeding commenced by the State insurance regulator of any licensed State if there has been a judicial finding of financial impairment under paragraph (7); or

(B) a voluntary dissolution proceeding;

(6) comply with any State law regarding deceptive, false, or fraudulent acts or practices, except that if the licensed State seeks an injunction regarding the conduct described in this paragraph, such injunction must be obtained from a court of competent jurisdiction as provided in section 314(a);

(7) comply with an injunction issued by a court of competent jurisdiction, upon a petition by the State insurance regulator alleging that the redomesticating insurer is in hazardous financial condition or is financially impaired;

(8) participate in any insurance insolvency guaranty association on the same basis as any other insurer licensed in the licensed State; and

(9) require a person acting, or offering to act, as an insurance licensee for a redomesticated insurer in the licensed State to obtain a license from that State, except that such State may not impose any qualification or requirement that discriminates against a nonresident insurance licensee.

15 USC 6734.

SEC. 314. OTHER PROVISIONS.

(a) **JUDICIAL REVIEW.**—The appropriate United States district court shall have exclusive jurisdiction over litigation arising under this section involving any redomesticating or redomesticated insurer.

(b) **SEVERABILITY.**—If any provision of this section, or the application thereof to any person or circumstances, is held invalid, the remainder of the section, and the application of such provision to other persons or circumstances, shall not be affected thereby.

(2) have enacted reciprocity laws and regulations governing the licensure of nonresident individuals and entities authorized to sell and solicit insurance within those States.

(b) **UNIFORMITY REQUIRED.**—States shall be deemed to have established the uniformity necessary to satisfy subsection (a)(1) if the States—

(c) **RECIPROCITY REQUIRED.**—States shall be deemed to have established the reciprocity required to satisfy subsection (a)(2) if the following conditions are met:

(1) **ADMINISTRATIVE LICENSING PROCEDURES.**—At least a majority of the States permit a producer that has a resident license for selling or soliciting the purchase of insurance in its home State to receive a license to sell or solicit the purchase of insurance in such majority of States as a nonresident to the same extent that such producer is permitted to sell or solicit the purchase of insurance in its State, if the producer's home State also awards such licenses on such a reciprocal basis, without satisfying any additional requirements other than submitting—

“(b) CAPITAL STRUCTURE PLAN.—

“(1) APPROVAL OF PLANS.—Not later than 270 days after the date of publication by the Finance Board of final regulations in accordance with subsection (a), the board of directors of each Federal home loan bank shall submit for Finance Board approval a plan establishing and implementing a capital structure for such bank that—

“(II) a stock purchase based on a percentage of the outstanding advances from the bank to the member.

“(C) MINIMUM AMOUNT.—Each capital structure plan of a Federal home loan bank shall require that the minimum stock investment established for members shall be set at a level that is sufficient for the bank to meet the minimum capital requirements established by the Finance Board under subsection (a).

“(D) ADJUSTMENTS TO MINIMUM REQUIRED INVESTMENT.—The capital structure plan of each Federal home loan bank shall impose a continuing obligation on the board of directors of the bank to review and adjust the minimum investment required of each member of that bank, as necessary to ensure that the bank remains in compliance with applicable minimum capital levels established by the Finance Board, and shall require each member to comply promptly with any adjustments to the required minimum investment.

“(2) TRANSITION RULE.—

“(A) IN GENERAL.—The capital structure plan of each Federal home loan bank shall specify the date on which it shall take effect, and may provide for a transition period of not longer than 3 years to allow the bank to come into compliance with the capital requirements prescribed under subsection (a), and to allow any institution that was a member of the bank on the date of the enactment of the Federal Home Loan Bank System Modernization Act of 1999, to come into compliance with the minimum investment required pursuant to the plan.

“(B) INTERIM PURCHASE REQUIREMENTS.—The capital structure plan of a Federal home loan bank may allow any member referred to in subparagraph (A) that would be required by the terms of the capital structure plan to increase its investment in the stock of the bank to do so in periodic installments during the transition period.

“(D) LIQUIDATION OF CLAIMS.—The capital structure plan of a Federal home loan bank shall provide for the liquidation in an orderly manner, as determined by the bank, of any claim of that bank against a member, including claims for any applicable prepayment fees or penalties resulting from prepayment of advances prior to stated maturity.

“(6) BANK REVIEW OF PLAN.—Before filing a capital structure plan with the Finance Board, each Federal home loan bank shall conduct a review of the plan by—

“(A) an independent certified public accountant, to ensure, to the extent possible, that implementation of the plan would not result in any write-down of the redeemable bank stock investment of its members; and

“(B) at least one major credit rating agency, to determine, to the extent possible, whether implementation of

the plan would have any material effect on the credit ratings of the bank.

“(d) TERMINATION OF MEMBERSHIP.—

“(1) VOLUNTARY WITHDRAWAL.—Any member may withdraw from a Federal home loan bank if the member provides written notice to the bank of its intent to do so and if, on the date of withdrawal, there is in effect a certification by the Finance Board that the withdrawal will not cause the Federal Home Loan Bank System to fail to meet its obligation under section 21B(f)(2)(C) to contribute to the debt service for the obligations issued by the Resolution Funding Corporation. The applicable stock redemption notice periods shall commence upon receipt of the notice by the bank. Upon the expiration of the applicable notice period for each class of redeemable stock, the member may surrender such stock to the bank, and shall be entitled to receive in cash the par value of the stock. “(3) LIQUIDATION OF INDEBTEDNESS.—Upon the termination of the membership of an institution for any reason, the outstanding indebtedness of the member to the bank shall be liquidated in an orderly manner, as determined by the bank

“(e) REDEMPTION OF EXCESS STOCK.—

“(1) IN GENERAL.—A Federal home loan bank, in its sole discretion, may redeem or repurchase, as appropriate, any shares of Class A or Class B stock issued by the bank and held by a member that are in excess of the minimum stock investment required of that member.

“(2) EXCESS STOCK.—Shares of stock held by a member shall not be deemed to be ‘excess stock’ for purposes of this subsection by virtue of a member’s submission of a notice of intent to withdraw from membership or termination of its membership in any other manner.

“(3) PRIORITY.—A Federal home loan bank may not redeem any excess Class B stock prior to the end of the 5-year notice period, unless the member has no Class A stock outstanding that could be redeemed as excess.

“(f) IMPAIRMENT OF CAPITAL.—If the Finance Board or the board of directors of a Federal home loan bank determines that the bank has incurred or is likely to incur losses that result in or are expected to result in charges against the capital of the bank, the bank shall not redeem or repurchase any stock of the bank without the prior approval of the Finance Board while such charges are continuing or are expected to continue. In no case may a bank redeem or repurchase any applicable capital stock if, following the redemption, the bank would fail to satisfy any minimum capital requirement.

“(g) REJOINING AFTER DIVESTITURE OF ALL SHARES.—

“(1) IN GENERAL.—Except as provided in paragraph (2), and notwithstanding any other provision of this Act, an institution that divests all shares of stock in a Federal home loan bank may not, after such divestiture, acquire shares of any Federal home loan bank before the end of the 5-year period beginning on the date of the completion of such divestiture, unless the divestiture is a consequence of a transfer of membership on an uninterrupted basis between banks.

“(2) EXCEPTION FOR WITHDRAWALS FROM MEMBERSHIP BEFORE 1998.—Any institution that withdrew from membership in any Federal home loan bank before December 31, 1997, may acquire shares of a Federal home loan bank at any time after that date, subject to the approval of the Finance Board and the requirements of this Act.
